

The leveraged loan data you need. Delivered with speed, simplicity and security.

Simplify your workflow with index and deals data delivered quickly and securely through feeds from PitchBook including LCD and Morningstar Indexes.

Direct data feeds

Integrate PitchBook and LCD's data from feeds directly into the tools you use for seamless workflow management. Your bespoke data and index packages are delivered directly to you on a recurring basis so you can spend less time gathering data and more time identifying opportunities.

Key benefits:

- Get comprehensive transactions data to help limit the number of steps in performing complex analysis and more easily screen for primary market deal transactions data.
- Connect directly with analysts for further insights on the data you consume.

PitchBook's leveraged loan and LCD-specific data feeds contain crucial factors you need to perform return, risk and attribution analysis, including:

- Secondary spreads
- Return summaries
- Default rates

Primary market data and analysis available from PitchBook and LCD

Index data	Delivery frequency	Delivery method

About Morningstar Indexes

Morningstar Indexes was built to keep up with the evolving needs of investors—and to be a leading-edge advocate for them. Our rich heritage as a transparent, investor-focused leader in data and research uniquely equips us to support individuals, institutions, wealth managers and advisors in navigating investment opportunities across major asset classes, styles and strategies. From assessing risk and return with traditional benchmarks to helping investors effectively incorporate ESG objectives into their investment process, our range of index solutions spans an investment landscape as diverse as investors themselves. We help investors answer today's increasingly complex questions so that they can more easily reach tomorrow's goals.
